Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 30 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Occasional rain, heavier and persistent from the west this afternoon.

Today:
Cloudy with outbreaks of rain and drizzle in the west. Still cloudy, but drier in the east. Rain in the west will turn persistent and heavy in the afternoon before spreading east. Mild. Maximum temperature 11 deg C (52 deg F).

Tonight:
Heavy rain clearing east this evening to leave scattered showers overnight, mainly across the north. Some clear spells in the south. Minimum temperature 3 deg C (37 deg F).

Wednesday:
Scattered showers in the morning. These turning heavier and more frequent for a time around midday. Drier sunnier but colder in the afternoon. Maximum temperature 7 deg C (45 deg F).

Outlook for Thursday to Saturday:
Mainly bright and chilly on Thursday, but increasingly cloudy with rain and sleet later. Bright with showers on Friday and Saturday, turning colder on Saturday.
